Elvis: The Personal Archives

With cooperation of the Elvis Presley estate, artist Jeff Scott gained unlimited access to Elvis's personal artifacts in order to write

about the meaning of the music legend through his belongings. Elvis's gun collection and numerous vanity police badges reveal Presley's rebellious reputation and his obsession with police and authority. Elvis is still the King, earning \$37 million dollars a year from the other side, according to a Forbes.com recent study. Do our possessions and material objects outlive us to tell our true story? \$29.95 at www.shopelvis.com

Gap NanoTex Shirts for Men

Got a clumsy man in your life? The perfect gift is here. New, spill-resistant shirts from the Gap prevent your favorite spiller or laundry-challenged guy from doing permanent damage due to the "occasional" spilling mishap. Instead of soaking in, liquids bead up and can be wiped cleanly off of the shirt due to a special coating called NanoTex. \$44.00 at www.gap.com

FANTASTIC FOUR flames onto DVD, VHS and PSP this month. Get an exclusive inside and first look at the highly anticipated X-Men 3. Exclusive behind-the-scenes footage hosted by the entire cast shows the super-hero promotional world tour they embarked on to publicize the film.

Includes three deleted scenes and music videos 'Everything Burns' and 'Come On Come In.' \$19.98 at www.foxstore.com
