

Morgan Webb

Interview with Morgan Webb:

We had the opportunity to interview Morgan Webb, the sexy co-host of G4 channels “X-Play” which covers the gaming industry. Dubbed the “First Lady of Gaming” and known for her luminous views on video games and the gaming industry, she has risen to the top echelon of hosts we want to watch when learning the latest in gaming. Being voted one of FHM’s 100 Sexiest Women in the World (2005) doesn’t hurt either.

U. Since we are a college publication, we were wondering where you went to college?

MW I went to the University of California at Berkeley.

U. I see, and how did you like it?

MW I absolutely loved every single minute of it.

U. What did you major in?

MW I majored in Rhetoric and I have an Italian minor.

U. Let’s talk about your career. Did you think you would ever be on TV?

MW No. I didn’t... in college I took some computer classes, and I had friends that were *(continued)*
